

# We are moving !!!!

## And the date is set.....

We have received the OK from Chesterfield Twp for the new construction and are getting ready to move.

We aren't going to close or cancel classes, just a smooth transition.

**Our last classes at our current space will be Saturday, February 25 after which we will move into the new studio and be open for business the very next day, Sunday, February 26 for the 8:45 AM class.**

Same schedule, same wonderful teachers, same great energy and passion for yoga. ~ Namaste ~
